STORING AND ACCESSING DATA

Old Hurst Parish Council recognises its responsibility to be open with people when taking personal details from them. This means that staff must be honest about why they want a particular piece of information. If for example a member of the public gives their phone number to staff or a member of Old Hurst Parish Council, this will only be used for the purpose it has been given and will not be disclosed to anyone else.

Old Hurst Parish Council may hold information about individuals such as their addresses and telephone numbers. These are kept in a secure location at the Parish Clerk's home office and are not available for the public to access. All data stored on a computer is password protected. Once data is not needed anymore, if it is out of date or has served its use, it will be shredded or deleted from the computer. The Parish Council is aware that people have the right to access any information that is held about them. If a person requests to see any data that is being held about them,

- They must be sent all of the information that is being held about them
- There must be explanation for why it has been stored
- There must be a list of who has seen it
- It must be sent within 40 days
